

Application Pack — On-camera anchor targets

3 flagship roles, fully built. Each: what they want · the questions · your answers · cover letter (your voice) · a custom video script. Ranked by "can this become a \$5–15K/mo, 12-month client?"

1. Social Content Creator, On-Camera Talent — Apartment List

Remote

\$50/hr

Bucket 2 · Content

Fit 88

Anchor: HIGH

WHAT THEY WANT (THE ANALYSIS)

An on-camera creator to make original short-form (TikTok / Reels / YouTube Shorts) for an established rental-marketplace brand, plus help build new content series. Ongoing role, 2+ yrs on-camera short-form. This is a real company with a real budget — the ideal anchor.

THEIR LIKELY QUESTIONS → YOUR ANSWERS

Q: Link to your reel / on-camera work?

<https://videorep.co> — 500+ videos across 250+ brands.

Q: Rate & weekly availability?

\$50/hr works well; I'm flexible and turn work around in 24–48 hours. Happy to scope a set weekly output.

Q: Why Apartment List?

Renting is emotional — it's people's homes. I make content that feels human and trustworthy, not salesy, which is exactly what turns a scroll into a signup. I've done this for brands from Microsoft to Sony.

COVER LETTER

Hey Apartment List team — you need on-camera talent who can carry short-form and help shape the series, and that's been my world for 20 years: 500+ videos, Top 1% on Upwork, brands from Microsoft to Sony. I don't just read lines — I build the hook so the Reel lands (one organic video I fronted hit 86k views). Happy to start with the on-camera role and grow into whatever ongoing content you need — I bring a full team with me. Reel 🙌 <https://videorep.co>

CUSTOM VIDEO SCRIPT (30–45S — DOUBLES AS YOUR SAMPLE)

Moving into a new place should feel exciting — not overwhelming.
Hey, I'm Eric.
Whether it's your first apartment or your fifth, the right tools make the whole thing simple.
Let me show you how to find a place you'll actually love — without the stress, the spam, or the guesswork.
Your next home is closer than you think. Let's go find it.

The play: apply as talent → on the call, position as their ongoing on-camera content partner. A \$50/hr slot becomes a retainer once they see you can own the whole video function.

2. On-Camera Talent (Reels / TikTok / LinkedIn / tutorials / demos) — Jiffy

Remote

Bucket 2/3

Fit 86

Anchor: HIGH

WHAT THEY WANT (THE ANALYSIS)

A single on-camera face for a company's content across every format — short-form social, LinkedIn video, tutorials and product demos. That "one face, all formats" need is a retainer waiting to happen. (Direct posting is on the Indeed video-content-creator feed linked above — search "Jiffy".)

THEIR LIKELY QUESTIONS → YOUR ANSWERS

Q: Can you handle multiple formats + product demos?

Yes — that range is my whole career: ads, social, hosting, tutorials, demos. One credible face across all of it beats a rotating cast.

Q: Turnaround?

24–48 hours, script review included free.

Q: Reel?

<https://videorep.co>

COVER LETTER

Hi Jiffy team — being your on-camera face across Reels, TikTok, LinkedIn, tutorials and demos is exactly the range I've built over 20 years and 500+ brand videos. One credible human across every format is how audiences start to trust a brand — better than a rotating cast. I move fast (24–48h, script included) and can scale into an ongoing content partnership when you're ready. Reel 🙌 <https://videorep.co>

CUSTOM VIDEO SCRIPT (30–45S DEMO-STYLE SAMPLE)

Ever wish your tools just... worked the way you think?

Hi, I'm Eric.

Let me show you how Jiffy makes this ridiculously simple — in about thirty seconds.

Watch: [one clean action], then [the result].

That's it. No manual, no headache.

That's kind of the whole point.

The play: pitch yourself as the brand's single on-camera identity across all formats → naturally a monthly retainer, not a per-clip gig.

3. Brand Creator / Ambassador — "per video OR retainer, negotiable"

Remote

Bucket 4/2

Anchor: HIGH (retainer on the table)

WHAT THEY WANT (THE ANALYSIS)

A confident, credible on-camera brand ambassador who appears regularly and communicates with clarity, warmth and authority. Comp is explicitly "per video OR retainer, negotiable" — they've already opened the door to exactly the arrangement you want. This is your ideal shape; go straight for the ongoing deal.

THEIR LIKELY QUESTIONS → YOUR ANSWERS

Q: Are you open to an ongoing/retainer arrangement?

Yes — that's exactly what I'm looking to build. A consistent face who knows your brand beats one-off creators every time.

Q: What makes you a credible brand ambassador?

20+ years on camera, 500+ brand videos, Broadway and Animal Planet, Top 1% on Upwork. Clarity, warmth and authority is literally the job I've done for 250+ brands.

COVER LETTER

Hi — you're open to an ongoing/retainer brand creator, and that's exactly what I'm looking to build. 20+ years on camera, Broadway tours, Animal Planet hosting, 500+ brand videos, Top 1% on Upwork. I'd be your consistent on-camera face — clarity, warmth, authority — and I bring strategy plus a full production team, so it scales past just me. Let's talk about what "ongoing" looks like for you. Reel 📺 <https://videorep.co>

CUSTOM VIDEO SCRIPT (30–45S BRAND-AMBASSADOR SAMPLE)

Hi — I'm Eric, and I'm the face you'll get to know.
Real talk, real delivery — no corporate stiffness.
Here's what this brand is really about, and why it actually matters to you.
Because people don't buy from logos. They buy from people they trust.
Let's build something worth trusting.

The play: they named "retainer" — skip gig framing and propose a monthly arrangement from message one.

Also worth applying today (door-openers): Invigor Medical (telehealth UGC), Virtual Same Day Marriage (ad spokesperson), Casting Networks (travel host). Warm-intro target: Penske Media / VIBE (on-camera host, recently closed). Generated 2026-06-30 from your GetMany fit criteria.
